

Stoke Gabriel Academy Key Strategic Improvement Priorities

2019-2020

Community
Character
Courage
Creativity

Key Priority 1 Quality of Education

Academies will focus on improving the teaching & learning challenge in order to increase the percentage of pupils achieving Greater Depth while ensuring greater consistency in all Core Subject teaching reflected in improved progress data

Key Priority 2 Quality of Education Science

Science Curriculum planning, delivery & teaching is enhanced to ensure skills, knowledge and understanding are well planned and effectively taught consistently well based around the Magenta Principles

Key Priority 3 Quality of Education: Computing

Middle Leaders will lead Trust delivery of a high quality computing curriculum and use IT to enhance the teaching of all curriculum subject skills. New ICT Support Company will set up infrastructure which is fit for purpose

Key Priority 4 Leadership and Management and Quality of Education

Middle Leaders will establish Trust-wide network systems to ensure the highest quality delivery of a broad and balanced curriculum, with a particular focus on progression of skills & extended vocabulary

Key Priority 5 Personal Development, Behaviour and Welfare

SEMH will continue to be a focus to ensure barriers to learning are removed. Relationship Education is consistently delivered to the highest standard

Key Priority 6 Staff Well-Being

Ensure all staff have a healthy work life balance and that all their work impacts on pupil progress or pupil wellbeing. Investigate providing professional supervision for all staff
