

Activate Curiosity/ Let's Do It

ACTIVATE CURIOSITY:

This half term the children will explore how crimes and punishments have changed throughout history. There will be links to previous topics of early and ancient civilisations. How were criminals dealt with and how has this changed over time? Which punishments were the worst and was everyone treated fairly? Can you decipher which reprimands were the bloodiest and deadliest?

History (From The Romans, The Anglo Saxons, The Tudors and The Victorians)

Chn will learn to:

- Talk about and compare the punishments that were used during the Roman, AngloSaxon, Tudor and Victorian times and give some reasons for them.
- Explain some key terms in the history of crime and punishment in Britain, such as wergild, trial by ordeal, tithings, hue and cry, treason, transportation and hard labour.
- Compare modern day crime and punishment with those from the past, and talk about the legacy of past methods of crime prevention and detection with those of the

Science – Animals including humans

Chn will learn to:

- Demonstrate prior knowledge of systems within the human body.
- Explain the specific functions of the lungs in the circulatory system.
- Understand the processes of how water and nutrients are transported in the body.
